BARCELONA

PROGRAMME FOR FINE WORKGROUP SERIES 2011- 2013

Nursing Education - Developing the Art and Facing the Challenges....

Workgroup 3: Supporting Doctoral Learning for Nursing and Nursing Education, in light of the Bologna process.

**Collegi Oficial d'Infermeres i Infermers de Barcelona (COIB),
C/ Pujades, 350. 08019 Barcelona, Spain
16 - 17 April 2012**

OBJECTIVES

1. Explore the current position of Bologna Process, EQF, TUNING, EU Directive in respect of advancing Nursing and Nursing Education.
2. Discuss the development and challenges of developing doctoral learning in nursing and nurse education.
3. Share resources for the continuing development of Doctoral level learning in nursing and nursing education in future to help nurse educators in all countries to advance the art and quality of their practice.
4. Generate practical opportunities for sharing and evaluating development of Doctoral nursing education trans-nationally.
5. Create a toolkit for nurse educators to support understanding of lifelong learning for nursing across Europe. - Refining the structure and adding to the contents
